Thanks for all of those families who have reached out to help during this great time of need!

**The Italian Ice treats were a tremendous hit during Spirit Week. Beginning next Friday, Italian Ice will be sold each Friday during lunch. Cost is \$2.00 for a scoop and \$3.00 for 2 scoops!**

### JUMP ROPE AND HOOPS FOR HEART

CPCS is supporting the American Heart Association by our participation in Jump Rope for Heart and Hoops for Heart. Students will participate during P.E. next week. Collection envelopes were sent home previously. We would love to have all our students participate! You can also raise money online by sending e-mails to family and friends. ### READING WITH HEART!

"Reading in the New Year" was a great success! Thank you for making it a snow in the library. A special thanks to Joshua Smith, Hope Manfredi and Michelle Pham for the tremendous reading they did. The students are excited to do something in February. This month we will be reading with heart! For every book a student reads, a heart with their name will be displayed in the library. If a student reads an entire book of the Bible they will receive a heart. Students will keep books logs in the library and will need to know the title of the book and author's name. For younger students we encourage parents to read with them and write down and send names and titles. Our entire school is involved in this so show your heart for reading!
