WE ARE FLYING HIGH WITH READING!

Our school wide reading is going great and we aren't stopping now! This month we are "FLYING HIGH WITH READING!" For every book or book of the Bible that a student reads, a kite with their name on it will be hung in the library. Students have reading logs that stay in the library to keep track of their books. For younger students we encourage parents to read with them and send in a list of titles that you read together. It is awesome to see the students working hard on reading and making it a priority each day! Keep up the tremendous work and let's have lots of kites flying in the library this month! ~Mrs. Betz
